Hiring Team
Emirates

Dear Hiring Team at Emirates,

I am excited to apply for the Cabin Crew position at Emirates. With experience in hospitality, guest relations, and customer service, I am eager to bring my passion for delivering world-class experiences to one of the most prestigious airlines in the world.

In my role as Guest Relations Assistant at *Riad Safran & Cannelle* in Marrakech, I welcomed and assisted international guests daily, ensuring seamless check-in and a comfortable stay. I developed strong cultural awareness, problem-solving abilities, and a commitment to creating memorable experiences—skills that directly align with the expectations of Emirates cabin crew.

As a Sales Agent with *NovusPay* (UK Market), I managed client relationships, resolved issues efficiently, and built trust through clear communication. This experience strengthened my ability to remain professional under pressure and to provide exceptional service to diverse clients.

Fluent in Arabic, English, and French, with basic German, I am confident in my ability to connect with passengers from different backgrounds. I thrive in multicultural environments and take pride in maintaining a polished, professional presentation at all times.

I would be honoured to represent Emirates and contribute to the excellence your airline is known for. Thank you for considering my application—I look forward to the opportunity to bring my skills, energy, and dedication to your team.

Kind regards,

Noureddine Achbili
